Canberra. Australia's Capital.

Canberra is the Capital of Australia, one of the few cities in the World not to have a professional football team. And yet we have produced players of the quality of Carl Valeri (Socceroos and Grosseto Serie B), Ned Zelic, (Uefa Cup Winner Borussia Dortmund, and former Socceroo), and perhaps our greatest export, Joe Simunic (Hertha Berlin and Croatian International). Joe has played in three World Cups and two European Championships. All were born in Canberra.

Kanbera je glavni grad Australije među nekoliko gradova u svijetu bez profesionalnog kluba. Mi smo proizveli igrače kao Carl Valeri i Ned Zelic, naš najveći produkt Joe Simunic, Joe je igrao na tri svjetska i Evropska prvenstva ... Svi su rođeni u Canberri.

The Australian Institute of Sport is based in Canberra. Mark Viduka (Socceroos and Newcastle United), Vince Grella, (Socceroos and Torino), Lucas Neill, (Socceroos and West Ham United), Brett Emerton (Blackburn Rovers) Jason Culina (PSV Eindhoven) are just some of the many players who spent their apprenticeship in Canberra at the AIS.

Australski Institut od Sporta (AIS) je smješten u Canberri. Mark Viduka, Josip Skoko, Ned Zelic, su samo neki od mnogih igrača poteklih iz AISa u Canberri.

The AIS continues to produce players to play in the top leagues in Italy, England, Croatia, Germany, Turkey, Greece, Holland and beyond.

AIS stalno proizvodi igrače za vrhunske evropske lige.

The process

A Canberra based consortium led by Transact CEO Ivan Slavich is determined to apply for and receive a license to compete in the Hyundai A-League, commencing in the 2010-11 season. The first formal step in this process is to present an application to the A-League License Review Committee in August 2008. Canberra is one of ten bids expected by Football Federation Australia for up to four available licenses, but is strongly positioned to succeed and has support from the highest levels within Football Federation Australia. If Canberra is unsuccessful in this round of license applications, it is unlikely there will be another opportunity for 10 years or more.

Canberski konzorcijum predvođen Transact CEO Ivan Slavich je odlučan tražiti dozvolu za A-ligu za sezonu 2010-11. Prvi korak u tom procesu je predstaviti molbu A-ligi u augustu 2008. Canberra je jedan između 10 mogućih kandidata koja predviđa FFA za četiri slobodna mjesta. Ako Canberra bude sada neuspješna, slijedeća mogućnost bit će tek za 10 godina ili više.

Ako nismo uspješni, novac se vraća natrag.

If we are unsuccessful, all monies are held in trust and will be returned.

So, if we are serious about having a Canberra team in the Hyundai A-League we need to act and we need to act NOW! You can play your part in spreading the joy of football across Australia.

Dakle; ako smo ozbiljni u želji da imamo momčad u A-ligi moramo djelovati sada. Ti možeš biti dio tog nogometnog zadovoljstva širom Australije.

A successful presentation will require a demonstrated commitment from the business and Government sectors within the ACT. The consortium **requires just \$6m Australian Dollars** up-front to satisfy the requirements of Football Federation Australia and currently has a commitment of funding from Canberra businesses. To be financially viable an A-League team also needs approximately \$6m revenue per annum on an on-going basis.

The Salary Cap of \$1.8 million ensures the financial viability of clubs.

Local football support

Lokalna nogometna podrška

The ACT has a strong football community, from junior players through to masters (over 35s), with a greater number of registered participants in the ACT than any all other forms of football put together(rugby league, rugby union or AFL) with:

ACT ima snaznu nogometnu organizaciju ,od juniora do veterana(iznad 35 godina),sa velikim brojem registriranih igraca

- Approximately 13,000 registered juniors (more than the other three codes of football combined)
- Oko 13000 registriranih juniora(vise nego ostala tri sporta zajedno)
- Approximately 4,000 senior men; and
- Oko 4.000 seniora
- Approximately 1,200 senior womenzena seniora
- Oko 1.200
- Approximately 3,000 in unregistered competitions
- Oko 3.000 u neregistriranim takmicenjima

There are almost 50,000 people in the ACT directly involved in football. This in addition to those fans and supporters of the game with no direct participatory involvement.

Canberra Football is also extremely well represented on the national scene through both the A-League and national teams (men's and women's, senior and junior).

To je oko 50.000 ljudi u ACT direktno ukljuceno u nogomet

Canberski nogomet je takoder jako dobro zastupljen na nacionalnom nivou kroz A-ligu I kroz nacionalne timove(muski zenski seniorski I juniorski)

The consortium has begun selling foundation membership packages in Canberra and is committed to reaching 5000 foundation members.

Konzorcijum pocinje s prodajom karata clanova utemeljitelja u Canberi s odlucnoscu da ih pronade 5.000
